SHEEP
Project Packet

A colorful cartoon illustration of a farm scene. In the background, there's a blue sky with white clouds and two birds flying. A farm with a red-roofed house and a silo sits on a green hill. A wooden fence runs across the middle ground. In the foreground, various farm animals are depicted: two white sheep on the left, a brown cow, a white goat, a pink pig, a white duck, a white rabbit, a brown chicken, and a yellow chicken. The text is centered in a white box over the middle of the scene.

Good Production Practices (GPPs) For Youth Livestock Producers

- GPP 1 Use an appropriate Veterinarian / Client / Patient Relationship (VCPR) as the Basis for Medication Decision Making.
- GPP 2 Establish and Implement an Efficient and Effective Health Management Plan.
- GPP 3 Use antibiotics responsibly.
- GPP 4 Properly Store and Administer Animal Health Products.
- GPP 5 Follow Proper Feed Processing Protocols.
- GPP 6 Establish Effective Identification, Medication Records, and Withdrawal Times.
- GPP 7 Practice Good Environmental Stewardship.
- GPP 8 Maintain Proper Workplace Safety.
- GPP 9 Provide Proper Care to Improve Animal Well-Being.
- GPP 10 Utilize Tools for Continuous Improvement.

2022 Focus

The project must be carried through the county of which the youth is a 4-H or FFA member in good standing. Licking, Knox and Delaware County members are encouraged to attend a Quality Assurance Program within their county of membership.

2022 HARTFORD SENIOR FAIR BOARD

POINTS OF IMPORTANCE

VARIOUS ANIMAL UPDATES AND REMINDERS...

— BEEF.

- Additional classes will be offered within the All Other Breeds (AOB) division, separating entries by high and low percentage designations.
- Market Steer / Heifer weigh-in will take place on Saturday, immediately following Steer Pool weigh-in.

— DAIRY FEEDERS.

- Dairy Feeder calves may be only of 100% Holstein or Brown Swiss breeding.

— GOATS.

- All goats must have approved Scrapies identification!
- Dairy and Pygmy shows will be held Tuesday, August 9th at 9:00 a.m. in east end of Grubb Arena.
- Only goats entered in Junior Fair classes may stay on the grounds.
- Market Goat show will include special awards for Bred and Owned entries, increase to ten classes, and the Open Dairy show will have additional lots added.
- An Open Pygmy Goat show will take place on Thursday evening in B. Carr Arena.

— HORSE.

- Horse Department schedule will likely have changes... Please watch website and email for updated schedule and rules.
- No Open Draft Show will be held in 2022.
- A Groom & Clean Contest will be offered on Sunday in the Horse Complex.

— MARKET LAMBS.

- All market lambs which are ewes, as well as ewes and wethers that are coming from out-of-state, must have USDA approved Scrapies tag identification.
- Licking County Sheep Improvement Association will sponsor a Carcass Contest for Market Lamb exhibitors. Entry can be made at time of weigh-in for \$5.00 fee. Ultrasound will determine placing. Cash prizes will be awarded.
- Market Lambs not selling through Market Lamb Sale on Saturday are released immediately following the show. If being taken home, they must be off the grounds by 10:00 a.m. on Thursday. A packer truck will be available to sell extra lambs (day/time TBA). NOTE: All breeding sheep must stay until Saturday.

— BREEDING SHEEP.

- Breeding sheep exhibitors must have USDA approved Scrapies tags in all ewes, rams, and wethers over 18 months (there are no breeding classes for wethers).
- Wool classes will be offered in 2022!

— **MARKET HOGS.**

- Hog Identification Forms are required of all junior fair hogs. Forms must be submitted to the Hartford Fair Office by May 15th. Up to four (4) hogs may be identified.
- Ractopamine is no longer forbidden, as it is also permitted during the 2022 Ohio State Fair.
- Hog showmanship sign-up will take place on Saturday and Sunday, with class assignments being posted early Monday morning.
- All hogs consigned to sale will be sent to the packer on either Tuesday night or Wednesday. All youth participating in the sale must send one hog on the trailer. Hogs will not be present during the hog sale on Thursday.
- Any youth bringing a second hog for exhibition will be responsible for removing that hog from the fairgrounds on Friday. Those hogs are not permitted to be taken on the packer truck earlier in the week. These hogs are also eligible to be shown in an open market hog show on Friday.
- All pens should be cleaned by exhibitors at the time that their hog is removed from the grounds, with absolutely all pens being cleaned by end of the day on Friday.
- Market Hogs must weigh 200 lbs. to show and must be 220-290 to show for championship awards. (maximum weight had been 280 in the past) Market Hog weigh-in will begin at 9:00 a.m. on Sunday morning during the fair (rather than 10:00 a.m.)

— **RABBITS & POULTRY.**

- Egg Layer Turkey classes have been moved to the Fancy seton of the department. Be attentive when making entries.
- All meat poultry and meat rabbits must weigh-in prior to having sale photo taken during the fair.

— **GENERAL JUNIOR FAIR LIVESTOCK.**

- All market animal exhibitors must complete their Drug Use Notification Form (DUNF) online by 11:59 p.m. on Friday, August 5th. Meat Poultry and Market Hogs will complete their forms after they have arrived to the fairgrounds and either weigh-in (Poultry) or receive official tags (Hogs).
- Junior fair animals are not permitted to show in both market and breeding shows. Animals must be designated to a single project.
- All exhibitors are reminded that they are expected to clean stall / bedding areas both during the fair, and then at the conclusion of the fair prior to removing their animals from the grounds.
- Voucher system is changing in 2022! Vouchers will NOT be handed out to exhibitors during shows and events. Rather, participation and placing will be logged electronically during events, and the exhibitor can then visit the bank the following day to show their ID and claim premiums. (Exception: dog and horse premiums will be paid at the time of judging)

FACILITIES AND BARN SAFETY.

- No floor fans will be permitted in the barn areas. All fans must be hung, for the safety of small children.
- Electrical cords must be good repair and in a safe condition. Unsafe cords will be confiscated.
- Regulations are in place for pop-up tents placed in designated areas near and around barns during the fair:
 - They can't be put up prior to NOON on Friday, August 5th.
 - Goat exhibitors will only be permitted to have tents on show days (Sunday, Monday and Friday). This will hopefully help with an air flow issue on the south side of the goat barn.

LIVESTOCK SALES.

- Livestock sales checks will be mailed no earlier than 30 days following the sale. All checks will be mailed, no checks will be held for pick-up! There will be a \$35 charge to re-issue a check with a stale date past the 60 days cashing period.

TRAFFIC AND PARKING.

- Updated traffic patterns for livestock to unload on Saturday, August 6th will be announced closer to the fair. Be watching the Hartford Website for updates!
- Two areas of preferred / paid parking are available. First, east of the hog barn will be a preferred parking area for cars / trucks (no trailers) at a cost of \$20 per permit. The second area, to the east of the Sheep and Goat barns will be preferred parking for trailers at a cost of \$30 per pass. Trailers remaining on the grounds will be placed in a specific parking area that does not interfere with visitor parking needs.
- Exhibitor vehicles coming on to the grounds in the morning to deliver feed and hay may only do so prior to 10:00 a.m. Those vehicles must return to a parking lot prior to 10 a.m.
- Camper arrival... Campers are permitted to enter through Gate D beginning at noon on Tuesday - No campers are permitted to park alongside road prior to that time (SAFETY ISSUES). Campers will then be lined up in the North Parking Lot and be permitted to enter the campground on Wednesday morning beginning at 8:00 a.m.
 - o There are also additional regulations in place for 2022 regarding cars parked in the campground. Those camping at the fair are strongly encouraged to view those rules in their camper packet!

...AND OTHER ITEMS.

- Fair Book will be available only in electronic format, via website.
- Alcoholic beverages will be available for sale on the fairgrounds throughout the fair. Beverages will be sold in the general area of the grandstands, with those beverages not being permitted beyond the Race Horse Barns (to the East), and the Gazebo (to the West). No alcoholic beverages can be taken into the area of junior fair programming.
- Entries are due by 5:00 p.m. on Saturday, June 18th. Verification forms should be mailed by no later than July 7th, with late entries being accepted until July 22nd. Should you not receive your verification or be out of town during the time that it should arrive, please contact the Fair Office to verify your entry information.
- Daily admission will be \$8, with season passes being sold for \$45 at the Fair Office.
- Be sure to stay up to date through the Hartford Fair website and Facebook pages.
- Photo IDs... Schedule of when photos will be taken for exhibitors / advisors' IDs will be posted to the Hartford Fair website and shared on social media. Please be attentive and have photos taken in a timely manner, if a photo needs to be taken.
 - o All exhibitors last name N-Z, and any exhibitor who did not have a junior fair ID in 2021 will need to have a photo taken (including all new members).
 - o All 4-H and FFA Advisors are asked to have a new photo taken in 2022.

Updated 02.23.2022

2022 Hartford Fair Entry and Picture ID Information

Hartford Fair 14028
Fairgrounds Rd
Croton, OH 43013 Email:
beth@hartfordfair.com
Phone: 740-893-4881

Entries:

Entry Deadline is 5 PM, June 18th. All entry forms will be available online. These forms can be completed online, saved as a PDF file, and printed. You will need to print the completed form in order to add signatures. Entry changes may be made until July 22nd. No changes will be allowed after this date. Any new entry or additional entries received after 5 PM, June 18th and before July 22nd will be charged a late fee. No entry or change will be permitted after July 22nd. You should be able to find department and entry information on our website, www.hartfordfair.com by the end of April.

We can't stress enough to please get your entries in as early as possible! If you wait until deadline, you may be paying a late fee. Any incomplete entry, such as incorrect form, project, or missing signatures will not be processed until corrected. Be sure to pay attention to the type of form you are using and the entry limitations. Only Market Entries should be on the Market form and all other livestock would use the Non-Market form. All still projects displayed in the 4-H Center or FFA building will use the Individual Still Project form.

We strongly encourage club advisors to turn in all members' entries together whenever possible. Advisors will need to schedule an appointment during office hours. If necessary, some evenings and weekends will be available. Please email beth@hartfordfair.com to schedule your club's appointment.

If it is not possible for an advisor to submit an entry, the exhibitor may do one of the following:

- Mail an entry and payment to the fair office – Hartford Fair Entries, 14028 Fairgrounds Rd, Croton, OH 43013. Must be postmarked no later than 5 PM, June 18, 2022.
- E-mail your completed entry form(s) to beth@hartfordfair.com. Once emailed you will then need to call Beth @ 740-893-4881 to pay your entry fee by credit card. Payment must be made before entry will be processed.
- If neither of these are possible, you can email browley@hartfordfair.com or call Beth @740-893-4881 to make arrangements to drop off at the fair office so they can be checked.

ID Badge Pictures:

All ID Pictures will be taken at the Hartford Fair Babcock Building between April 1st and May 31st. Check the Hartford Fair website www.hartfordfair.com for dates and times available.

Exhibitor Picture ID's:

- Who needs to have a picture taken this year? All exhibitors with a last name beginning with **N thru Z**. Those with last name beginning with A thru M and did not have an exhibit last year will also need a picture ID.
- Who does not need a new picture taken this year? If your last name begins with A thru M **and** you received a 2021 ID Photo Badge. A new badge will be issued with the last photo on file.

Advisor Picture ID's:

- All advisors will need to have a picture taken for 2022.

NOTE: If you are unsure, please email beth@hartfordfair.com and we will tell you if you need a new picture.

Licking County 4-H Sheep Quality Assurance

1

Good Production Practice #1

Use an appropriate Veterinarian /
Client / Patient
Relationship (VCPR) as the
Basis for Medication
Decision-Making.

2

Appropriate VCPR exists when...

- The Veterinarian has assumed the responsibility for making medical judgements regarding the health of your animal project and the need for medical treatment, and the caretaker has agreed to follow the instructions of the veterinarian.
- The practicing veterinarian is readily available for follow-up in case of adverse reactions or failure of the medications given.

3

How to Establish a VCPR

- Make sure you have a local vet contact information before you get your project home.
 - Business location
 - Office Phone#
 - Cell Phone #
 - After Hours Phone #

4

Good Production Practice #2

Establish and implement an efficient and effective herd health management plan

5

Your Responsibilities as Livestock Producers:

- Provide safe, wholesome food for all consumers
- Understand and follow the labels carefully for every feed additive, medicine or product used on your project
- Provide clean and safe conditions for your livestock animals

6

How much space is needed for my market Lamb

- Each lamb should have between 20-25 square feet of space when being stalled inside.
- How to determine Square Feet: a 5ft X 5ft pen is 25 square feet.
- How much land is required for grazing my lambs? Each acre can handle 3-6 lambs, with no more than 10 lambs per acre.

7

Good Production Practice #3

Use Antibiotics Responsibly

8

Storage, Handling and Disposal

- Store leftover medications properly
- Control temperature of medication according to label instructions
- Do not store medication in syringes,
- Dispose of used syringes and needles properly

9

Examples of safe needle disposal

- Sharps Container
- Empty Milk container
- Empty laundry detergent container
- Make sure containers are durable enough so needles will not penetrate through sides.

10

Good Production Practice #4

Properly Store and Administer Animal Health Products

11

Proper Procedures

- Store medications according to directions on label
- Room temperature does not necessarily mean outside in the barn
- Make sure you read how to properly administer medications
- I/M – Intra Muscular
- S/Q – Subcutaneous

12

Routes of Medication & Administration

In the Muscle (intramuscular – IM)

- Use a spot on the neck
- Never inject in the leg or loin area
- Use the proper needle size

Under the Skin (subcutaneous – SQ)

- Inject only into clean, dry areas
- Use a fold of skin on the neck (tent)
- Use the flap of skin in the elbow or flank

13

Good Production Practice #5

**Follow Proper Feed
Processing Protocols**

14

Feeding Facilities and Equipment

- Prevent accumulation of dust that could contaminate feeds
- Pick up spills
- Design storage areas to avoid accidental contamination of feed with toxic or other non-food substances
- Record keeping is important information for both you and your animal.
- Protect feed from contamination by birds and rodents

15

Safe Feed Storage

- Never store feed in leftover buckets
- Make sure feed is stored in a safe dry storage container.
- Examples: trash can with closable lid, old chest freezer with closing lid, plastic or rubbermaid tote with closable lid.
- Never store feed bags directly on ground in open space.

16

17

Good Production Practice #6

**Establish Effective
Project Identification,
Medication Records and
Withdrawal Times**

18

Methods of Animal Identification

- Identify all animals in some way
 - Identification Possibilities
 - Tattoo
 - Tag

19

Treatment Records To Include:

- Date of Treatment
- Animal Treated
- Product Used (brand, serial or lot number of products)
 - Amount Administered
 - Route of Administration: SQ or IM
 - Who gave the drug: You, Parent, Vet,
 - Withdraw time: 3-5 days, 1 week, 30 Days
 - Completed withdrawal date: When will vaccine be completely withdrawn from my market animal?

20

UNDERSTAND THE MEDICATION LABEL

- Read the label
- Follow the instructions on the label
- Pay close attention to withdrawal time, dosage rates, diseases treated, species and expiration dates.
- Avoid contamination of drugs

21

Project Medication Records

- You should keep written medication records for at least 12 months following marketing of the medicated livestock
- Record the Medication and Treatment Record in your project book to maintain this information

22

Good Production Practice #7

Practice Good Environmental Stewardship

23

Be Familiar with your Surroundings

- Are you picking up feed spills
- Make sure feed containers are clean
- Turn off lights when you are done with them
- Pick up trash instead of walking over it
- Clean up stalls after the fair is over
- Keep Isle ways clear for people who come to see your project at the fair.

24

Good Production Practice #8

Maintain Proper Workplace Safety

25

Quality Management

- Keep facilities and equipment in good condition
- Watch for nails, loose boards and other hazards that could tear the hide or skin or cause injuries that invite infection
- Be sure there is good drainage to avoid standing water and remove excess manure regularly
- Do you have enough area for all your animals

26

Good Production Practice #9

**Provide proper care
to improve
animal well-being**

27

Animal Feeding

- The importance of quality feed to livestock project cannot be over emphasized
- Prevent feed contamination
- Provide reasonable assurance that the feed is prepared accurately
- Rations provide animal nutrient requirements

28

Your Responsibilities

- Proper training on feeding of animals
- Write instructions down
- How many animals, how much food, medicated or non-medicated
- Emergency contact information
- Personal Veterinarian contact information
- Neighbor or family member information
- 4-H advisor or producers information

29

A Healthy Project

- Preventing a disease is cheaper than treating it
- Many health problems can be controlled by management
- Veterinarian/client/patient relationship (VCPR)
- Review production and financial records

30

Good Production Practice #10

Utilize Tools For Continuous Improvement

31

Good Livestock Practices

- Daily observation
- Proper animal handling
- Proper facilities
- Clean water and nutritionally balanced diet
- Develop project health programs with veterinary advice
- Transport your project without undue stress

32

Skillathon / Workshops

- Attend the Market Lamb & Breeding Sheep Show on June 4, 2022 at the Hartford Fairgrounds
- Participate in the 2022 Hartford Fair Skillathon
- Participate in Showmanship at Hartford Fair

HARTFORD FAIR

LAMB POOL

- Sign-Up Deadline:** Registration forms must be returned to the address listed below by Sunday, April 3, 2022 with accompanying deposit.
- Lamb Selection:** Sunday, April 24, 2022. Selection will be held at David Felumlee's Claylick Run Farm Sale Facility at 3:00 pm. (11970 Cross Road, Newark)
- Program Cost:** Cost for 2022 lambs will be set the week before selection. A \$25 (NONREFUNDABLE) deposit must accompany completed registration form, made payable to the Licking County Sheep Improvement Committee. Balance is due on April 24 after your lamb selection process (payable to the producer). If you are purchasing more than one lamb please be prepared to write more than one check as your animals may come from different producers.

Lamb Pool Details:

- Members of the Lamb Pool will be required to maintain membership in their respective 4-H Club or FFA Chapter, but are also expected to participate in Lamb Pool meetings and events as a part of their Lamb Pool participation. These meetings will provide additional training and information that will make the Lamb Pool experience more successful
- Lambs will be tagged for the Hartford Fair on selection day. There is a \$3.00 fee per tag.
- There will be a selection / entry limit of two (2) Lamb Pool lambs per exhibitor. Both lambs will be entered and exhibited as singles, no Pen of Two class will be offered. Lamb Pool lambs will count toward the exhibit maximum of five animals in the Market Lamb show.
- Lambs will be obtained from producers within the Hartford Fair district. If a sufficient number of lambs can't be found within the fair district, then flocks from outside the fair district will be considered.
- The lambs will be of consistent size and quality and will be black-faced lambs of Suffolk and/or Hampshire breeding.
- Lambs will follow all rules and regulations pertaining to the Hartford Fair Market Lamb show, as written in the 2022 Hartford Fair Premium Book. The Lamb Pool lambs will be examined by a vet before the beginning of selection process, and will have all medications and records to date given to participants from the producer who provided their selection.
- All Lamb Pool Lambs will become the sole responsibility of participants for health, caring and wellness 20 days after selection date.
- Lambs will be housed in the Sheep Barn during the Hartford Fair.
- Lamb Pool lambs will show only in classes designated specifically for them.
- The top five lambs in each class will receive awards. The top two Lambs of each class will then return to the ring for overall Grand Champion and Reserve Champion Lamb Pool.
- The Grand Champion and Reserve Champion will then compete against the top two lambs from each class of the Market Lamb show for the overall Grand Champion and designation of the top ten lambs.
- Lamb Pool exhibitors are eligible to show their lambs in the Market Lamb Showmanship classes. There will not be a separate showmanship class for Lamb Pool exhibitors.

- The Champion and Reserve Champion Lamb Pool market lambs will sell at the beginning of the Market Lamb sale along with the Champion and Reserve Champion market lambs. Remaining Lamb Pool market lambs will sell during the regularly scheduled Market Lamb Sale, but will be designated as Lamb Pool consignments in the program. Lamb Pool market lambs are not required to sell, unless they are designated as a champion. The rule states that Hartford Fair Junior Fair exhibitors may only sell one animal per species (with exceptions made when an exhibitor has more than one champion market animal) will apply to Lamb Pool exhibitor.
- Additional Award Opportunities: All Lamb Pool lambs will be automatically entered into the Carcass Show (judging by ultrasound at weigh-in), at no additional fee to the exhibitor. The top-ranking Lamb Pool carcass exhibitor will receive a cash prize of \$100, and the lamb with the highest Rate of Gain will also receive a \$100 cash prize, with both awards being provided by Andy and Michelle Buckenberger.
- If you have questions, contact Licking County Sheep Improvement Committee member Daniel Ulry at 614.361.0884.

What's New in Sheep ID?

March 25, 2019 Federal Regulation Changes

Group/Lot ID and Owner/Hauler Statement are required for:

- Sheep and goats in slaughter channels (except wethers under 18 months of age)
- Sheep and goats not in slaughter channels that do not have an official eartag or other official ID (except wethers under 18 months of age).

Other changes include:

If you engage in interstate commerce: (WHICH MEANS if you move sheep or goats interstate or offer to sell them to out of state buyers including through a market, or buy sheep or goats that originated in another state); YOU NEED TO:

- officially identify sheep and goats that you later sell (if they are a class that requires official ID) prior to moving them; or
- take your official tags and have them applied at another site in-state before changing ownership; or
- take your sheep and goats to a federally approved market to be tagged with market tags.

Call 866-USDA-TAG to
get official tags and
Tag it!

If you own a premise where interstate commerce of goats or sheep occurs:

(DEFINED AS: a premises which receives sheep or goats that have been in interstate commerce or from which sheep or goats move in interstate commerce)

- Sheep or goats (of a class that requires official ID) that are not already officially identified need to be officially identified when they are unloaded.

Moving sheep or goats that are not in Slaughter channels?

Official Individual ID (official eartag, registry or flock ID tattoo, or official Electronic Implantable ID) is required for sheep and goats in interstate commerce moving for purposes other than slaughter with some exceptions.¹

There are additional requirements for use of tattoos and implants. View the presentation at www.EradicateScrapie.org for more information. Official eartags, rather than other forms of official ID, are required for sheep and goats moving through markets or buying stations.

Created for the Goat Industry by staff at the University of Minnesota, College of Veterinary Medicine and NIAA Staff with support from the USDA NSEP.

Do not buy or sell sheep or goats 18 months of age or older for any purpose unless they have official ID¹.

Moving sheep or goats in slaughter channels?

- Complete an Owner/Hauler Statement to accompany the animals (except wethers under 18 months of age); and
- Eartag sheep and goats 18 months of age or older unless moving them as a single source group/lot.

NOTE: Tattoos and electronic implants may not be used to officially ID sheep or goats that are in slaughter channels or that are moving through a livestock market or buying station.

¹Exceptions to individual official ID requirement:

- Wethers under 18 months of age: NO ID or Owner/Hauler Statement required.
- Sheep or goats in slaughter channels under 18 months of age accompanied by an Owner/Hauler Statement and Group/Lot ID (may be mixed source).
- Sheep or goats moving as a single source group/lot accompanied by an Owner/Hauler Statement to:
 - >an approved livestock market.
 - >slaughter establishment.
 - >other premises of the flock listed in the National Scrapie Database, or
 - >another site in-state where they will be officially identified prior to change of ownership.

Q. Sheep or goat crossing a state line and not in slaughter channels?

A. Get an ICVI: Interstate Certificate of Veterinary Inspection issued by an Accredited Veterinarian.

Exceptions:

- wethers under 18 months of age;
- sheep or goats moving to another premises of the same flock listed in the National Scrapie Database;
- sheep or goats moving to a federally approved market.

Note: Some states also require an ICVI for in-state shows and wethers for exhibition.

A record must be made when official ID is applied to a sheep or goat, or a sheep or goat is acquired or disposed.

The record must be kept for five years after the animal dies or is no longer owned by you.

General Preventive Health Recommendations for Animals Exhibited at the Hartford Independent Fair

Robert C. Krueger, DVM
Mount Vernon Animal Hospital – (740) 397.6958

It is encouraged that all participants have a current relationship with their veterinarian in order to foster the best preventive health care plan for their animals.

Please note: If your animal is under medical treatment at the fair, treatment must be overseen by the official Fair Veterinarian. Please report to the Veterinarian or the Fair Director to ensure compliance with tampering laws and exhibition rules.

Vaccination and internal parasite control must be administered at least 30 days prior to the start of the Fair.

Special Note to Market Animals: **All medications and vaccinations should be given under the guidance of a licensed veterinarian. All meat residues (withdrawal times) must be expired prior to exhibition. Consult your veterinarian for specific protocol recommendations and keep records of medication and dosages. These guidelines are to help protect the animals travelling into and out of the fairgrounds and to comply with residue avoidance guidelines.

Beef Cattle:

1. Vaccines: IBR, BRSV, BVD, PI3, Leptospirosis, Clostridial diseases(7) including Tetanus
2. Internal Parasite Control: On a preventive internal parasite protocol.**
3. External Parasite Control: Free of infectious external parasites and infections such as Lice, Mites, and Ringworm.

Dairy Cattle (including Dairy Feeder Calves):

1. Vaccines: IBR, BRSV, BVD, PI3, Leptospirosis, Clostridial diseases(7) including Tetanus
 - a. **Dairy Feeder Calves: Given at vaccination clinic as required (1st Saturday in June)
2. Internal Parasite Control: On a preventive internal parasite protocol.**
3. External Parasite Control: Free of infections external parasites and infections such as Lice, Mites, and Ringworm.

Goats:

1. Vaccines: Clostridium types C&D and Tetanus
2. Internal Parasite Control: On a preventive internal parasite protocol.**
3. External Parasite Control: Free of infections external parasites and infections such as Lice, Mites, and Ringworm.

Poultry:

1. Vaccines: Vary depending upon management protocol. Consult your veterinarian.
2. Internal Parasite Control: On a preventive internal parasite protocol.**
3. External Parasite Control: Free of infections external parasites and infections such as Lice, Mites, and Ringworm.

Rabbits:

1. Internal Parasite Control: On a preventive internal parasite protocol.**
2. External Parasite Control: Free of infections external parasites and infections such as Lice, Mites, and Ringworm.

Sheep:

1. Vaccines: Clostridium types C& D and Tetanus
2. Internal Parasite Control: On a preventive internal parasite protocol.**
3. External Parasite Control: Free of infectious external parasites and infections such as Lice, Mites, and Ringworm.

Swine:

1. Vaccines: Mycoplasma, Influenza, Erysipelas, Circovirus
2. Internal Parasite Control: On a preventive internal parasite protocol.**
3. External Parasite Control: Free of infectious external parasites and infections such as Lice, Mites, and Ringworm.

Equine – Horse / Pony:

1. Vaccines: West Nile Virus, Eastern Equine Encephalitis, Western Equine Encephalitis, Tetanus, Rhinopneumonitis (EHV 4/1), Equine Influenza, Rabies.
 - a. *These vaccines are required per fair rules.*
2. Internal Parasite Control: De-worming is individualized per horse/per stable environment. It is recommended that your horse maintain a Fecal Egg Count of < 200 epg. Consult your veterinarian for the best protocol for your individual horse.
3. External Parasite Control: Horses should be free of all infectious external parasites and infections such as Lice, Mites, and Ringworm.
4. Body Condition Score of $\geq 4/9$.

Canine:

1. Vaccines: Current Rabies, Distemper, Hepatitis (Adenovirus), Parvovirus, Parainfluenza, 4 way Leptospirosis, and Bordatella (Kennel Cough)
 - a. *These vaccines are required per fair rules.*
 - b. *Veterinarian's Certificate posted at www.licking.osu.edu > 4-H Youth Development > Member Resources*
2. Internal Parasite Control: Monthly heartworm and internal parasite control consistent with your veterinarian's recommendations for your dog.
3. External Parasite Control: Monthly prevention for fleas and ticks as well as free of all infectious external parasites and infections such as Lice, Mites, and Ringworm.
4. Body Condition Score of 2.5/5 minimum.

**NOTICE of REQUIREMENT for
MARKET CATTLE, GOAT, SHEEP & SWINE EXHIBITORS**

Dear Youth Exhibitor;

In 1997, the Food and Drug Administration adopted a regulation, 21 CFR 589.2000, prohibiting the feeding of any ruminant-derived protein (meat and bone meal) to cattle and other ruminants. This regulation resulted from efforts to control any possible introduction or spread of Bovine Spongiform Encephalopathy (BSE) or "Mad Cow Disease" into the domestic cattle herd of the United States.

Because of worldwide media attention over the past few years on the BSE issue and a desire to reassure consumers that all possible steps are being taken to continue to keep BSE out of the United States, a number of beef packers/processors and retail operations have established certification programs for their suppliers to insure that they are not receiving cattle or other ruminants that have been fed ruminant-derived protein materials.

Participating packers in the certification program have made it clear that they will not purchase any cattle, sheep, swine, or goats from producers who have not signed a certificate certifying that indicated animals have been fed any feed containing protein derived from ruminant tissues and/or that none of the livestock being sold have illegal levels of drug residues. Thus, for some packers and buyers to purchase your cattle, we will need to have the certification on the back of this sheet signed and turned in upon arriving to the scales during weigh-in at the fair. If your animals do not weigh in, they will be collected during barn meetings or at a specific time posted in your barn.

I hope that we can work together to insure that the animals contributed to the general food supply through the 4-H and FFA programs may continue to be both safe and wholesome. Please feel free to contact me with any questions.

Sincerely,

Lisa D. McCutcheon
Extension Educator, 4-H Youth Development

Certification Form on Back...

United

Producers, Inc.

CONTINUOUS PRODUCER AFFIDAVIT

As an affidavit is deemed by USDA as an official record of Country of Origin, I attest through first-hand knowledge, normal business records, or producer affidavit(s) that all livestock referenced by this document or other communications specific to the transaction and transferred are of (mark one):

☒ U.S. Origin (born and raised in the U.S.)

☐ U.S. and/or Canadian origin and not imported for immediate slaughter (born in Canada, raised in the U.S.)

☐ Canadian Origin (born and raised in Canada)

Should the origin of my livestock become other than that described above, I agree to notify United Producers, Inc. when this occurs.

I certify that to the best of my knowledge, none of the livestock are adulterated within the meaning of the Federal Food, Drug and Cosmetic Act (e.g., none of them have been fed any feed derived from mammalian tissues as prohibited by 21 C.F.R. 589.2000 nor are they contaminated with foreign materials nor do they have illegal levels of drug residues).

I certify that neither the undersigned nor the person(s) from whom the undersigned purchased the livestock are on the USDA/FSIS active list of repeat violators as having had more than one residue violation in the past 12 months; or if they are on the USDA/FSIS list that the undersigned has identified the animals being sold that come from the person whose name appears on the USDA/FSIS list.

I have and will maintain records of livestock origin for one year from the date of delivery of the livestock to United Producers, Inc.

This Continuous Producer Affidavit shall remain in effect until the undersigned delivers written notice of revocation to the UPI market / staff being presented with this affidavit.

2011

2022 HARTFORD FAIR

4-H & FFA PROJECT SKILLATHON & INTERVIEW JUDGING SCHEDULE

4-H Beef /Dairy Feeder Projects...

Contest: Sunday, August 7 @ 12:30 p.m. to 2:00 p.m. (Beef Barn/Grubb Arena)
Awards: Tuesday, August 9 - Market Steer Show (Grubb Arena)

4-H Dairy Cattle Projects...

Contest: Monday, August 8 @ 2:00 to 4:00 p.m. (Grubb Arena)
Awards: Tuesday, August 9 - Junior Dairy Show (Grubb Arena)

4-H Goat Projects...

Contest: Wednesday, August 10 @ 1:00 to 3:00 p.m. (4-H Center)
Awards: Saturday, August 13 @ 9:00 a.m. (Grubb Arena)

4-H Horse Projects...

Contest: Sunday, August 7 @ 3:00 to 5:00 p.m. (Horse Complex)
(skillathon only—project interviews held 8:00 a.m. daily)
Awards: Wednesday, August 10

4-H Poultry Projects...

Contest: Tuesday, August 9 @ 10:00 a.m. (Rabbit & Poultry Barn)
Awards: Saturday, August 13 @ 9:00 a.m. (Grubb Arena)

4-H Rabbit Projects...

Contest: Wednesday, August 10 @ 10:00 a.m. (Rabbit & Poultry Barn)
Awards: Saturday, August 13 @ 9:00 a.m. (Grubb Arena)

4-H Sheep Projects...

Contest: Sunday, August 7 @ 10:30 a.m. to 11:45 a.m. (Baird Sheep Arena)
Awards: Wednesday, August 10 just prior to beginning of Market Lamb Show (Grubb Arena)

4-H Swine Projects...

Contest: Sunday, August 7 @ 11:00 a.m. (Swine Barn West Entrance)
Awards: Tuesday, August 9 @ Market Hog Show (Swine Barn Arena)

Members should plan to bring completed project books with them to the skillathon contest. While a member's project book may not be required in order to participate in skillathon contests, it does account for a substantial amount of points.

Awards are presented for (1) skillathon performance, (2) personal interview score, and (3) project book score for completion.
