

2022 LOTTERY INFORMATION

Tuesday, June 21, 2022
Grubb Arena
Registration Opens at 5pm & Closes at 5:55 PM
Lottery Starts at 6PM

THE 2022 LOTTERY CLOSED ON JUNE 10TH @ 4PM

To obtain a lot, **the person whose name is on the Camping Lottery Application must be present for this drawing.** We will only allow one name per household; therefore if you have entered more than one application with the same address, one will be removed from the drawing. The Fair Board has determined they will not allow a current lot holder to participate in the lottery without relinquishing their existing lot prior to the drawing.

We are also asking you to take time and view the open camping lots in advance **to be sure the lot accommodates your unit.** The available lots will be marked in the campgrounds on the evening of Monday, June 20, 2022, no later than 7PM. A map of the available lots is attached and highlighted for your convenience. In essence of time, if your name is drawn you will be expected to choose a lot immediately.

A picture ID with an address matching your Camping Lottery Application or proof of address will be needed to register for the lottery (utility bill or insurance card with ID is acceptable). If your name is drawn, a payment of \$300.00 for a permanent lot or \$250.00 for a primitive lot will be required at the time of the drawing to reserve a camping lot for the Hartford Fair.

ONLY cash or credit cards will be accepted at lottery, exact change is appreciated!

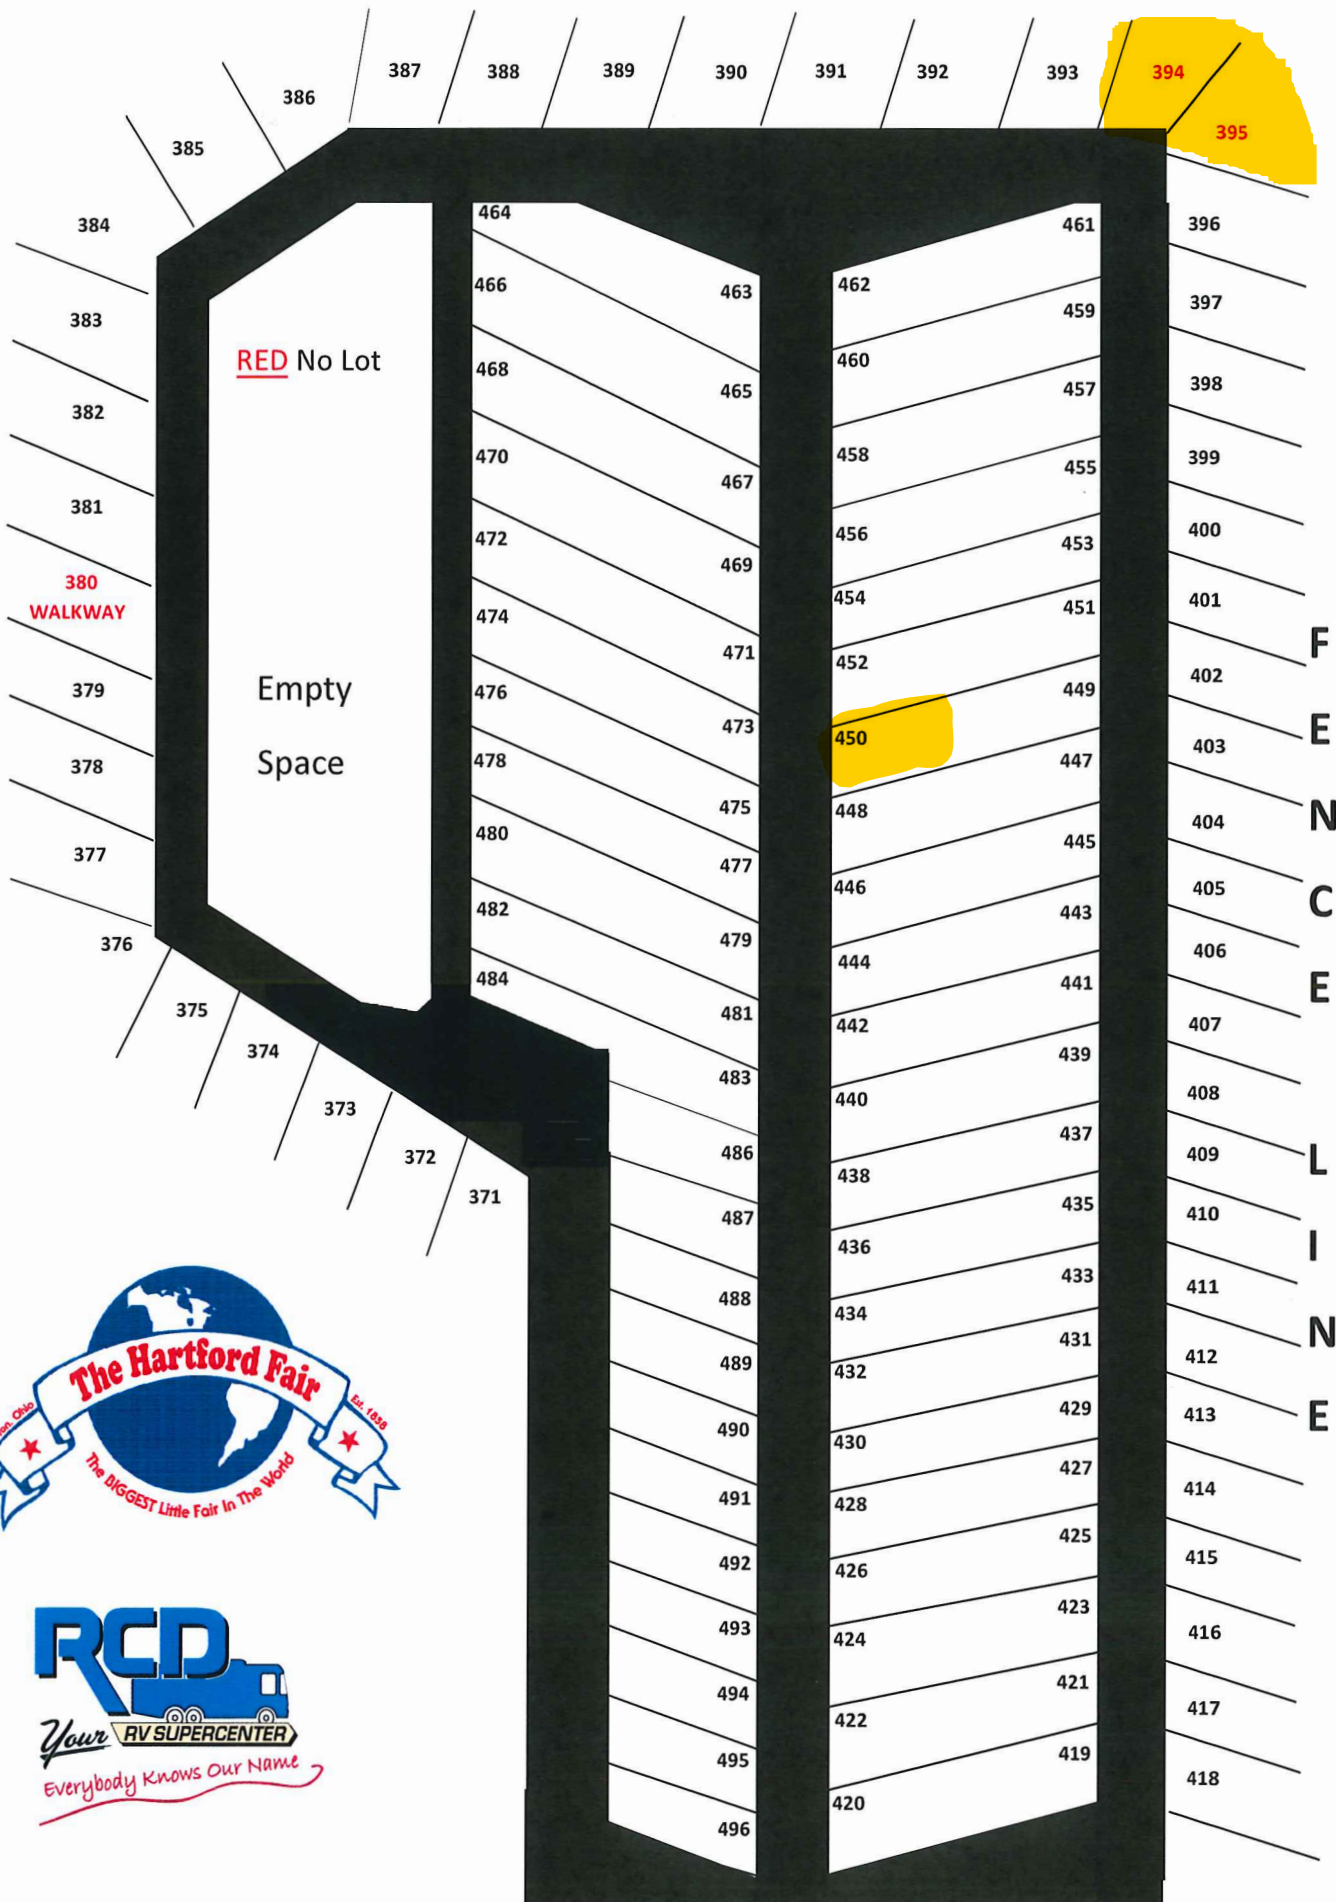

If you have any questions please call or email our office.

14028 Fairgrounds Road NW – Croton, Ohio 43013 – Rodney H. Arter, Fair Manager
