

2025 Hartford Fair Livestock Quality Assurance

Sheep Project Packet

A colorful illustration of a farm scene. In the background, there are rolling green hills, a blue sky with white clouds and birds, and a farm building with a red roof. In the foreground, various farm animals are depicted: two white sheep on the left, a brown cow, a white goat, a pink pig, a white duck, a white rabbit, a brown chicken, and a yellow chicken. A wooden fence runs across the middle ground.

Good Production Practices (GPPs) For Youth Livestock Producers

- GPP 1 Use an appropriate Veterinarian / Client / Patient Relationship (VCPR) as the Basis for Medication Decision Making.
- GPP 2 Establish and Implement an Efficient and Effective Health Management Plan.
- GPP 3 Use antibiotics responsibly.
- GPP 4 Properly Store and Administer Animal Health Products.
- GPP 5 Follow Proper Feed Processing Protocols.
- GPP 6 Establish Effective Identification, Medication Records, and Withdrawal Times.
- GPP 7 **Practice Good Environmental Stewardship.**
- GPP 8 **Maintain Proper Workplace Safety.**
- GPP 9 **Provide Proper Care to Improve Animal Well-Being.**
- GPP 10 Utilize Tools for Continuous Improvement.

2025 Focus

2025 Hartford Independent Fair

For all species divisions which are listed on this form, the youth member must be currently enrolled in the respective appropriate project in either Licking, Knox, or Delaware County 4-H / FFA/Steer Pool programs. The project must be carried through the county of which the youth is a 4-H or FFA member in good standing. Licking, Knox and Delaware County members are encouraged to attend a Quality Assurance Program within their county of membership.

Project Enrollment for 4-H and FFA Members and Showing Animals

- ✓ Ohio 4-H members are sometimes also FFA members. To keep work in both organizations clearly separate, members are advised to take a different species in each organization or, at the very least, to take market animals in one and breeding animals in the other.

Requirements of Livestock Projects for Exhibition in Ohio Fairs

Requirements of County 4-H Educators

When youth livestock project members are required to attend Quality Assurance, ensure that:

- ✓ Members are in good standing
 - Check with club advisor to make sure they have met club requirements to be in good standing.
- ✓ Youth have completed QA **at least 45 days prior** to the START of the fair (not the show day)
 - For example, if the opening day of the fair is July 20, but a youth doesn't show until July 23, QA must be completed by the youth at least 45 days prior to July 20.
 - ***If the fair takes place after the Ohio State Fair, and a youth wants to exhibit at the Ohio State Fair, they must complete QA 45 days prior to the opening day of the Ohio State Fair to be eligible to participate. ***

- ✓ Members are enrolled in the appropriate project corresponding to the class/animal they are entering
 - For example, youth must be enrolled in a market beef project to enter for a market steer/market heifer class.
 - A youth CANNOT be enrolled in only beef breeding and take a market heifer to the fair.

Requirements for Parents/Guardians/ Advisors and Youth

Make sure that children/club member(s) entering livestock at the county and/or Ohio State Fair:

- ✓ Are members in good standing
 - Have they met your club standards (attendance, forms filled out, enrolled in the proper projects, etc).
- ✓ Have completed QA **at least 45 days prior** to the START of the fair (not the show day)
 - For example, if the opening day of the fair is July 20, but the youth doesn't show until July 23, QA must be completed by the youth at least 45 days prior to July 20.
 - ***If the fair takes place after the Ohio State Fair, and the youth wants to exhibit at the Ohio State Fair, they must complete QA 45 days prior to the start of the Ohio State Fair to be eligible to participate. ***

- ✓ Are enrolled in the appropriate project corresponding to the class/animal they are entering
 - For example, youth must be enrolled in a market beef project to enter a market steer/market heifer class.
 - A youth CANNOT be enrolled in only beef breeding and take a market heifer to the fair.

Requirements for Parents/Guardians/ Advisors and Youth

- ✓ Have the project animal(s) in their possession by the approved dates (refer to county/state fair rules) and is properly tagged/identified
 - For example, beef exhibitors for the Ohio State Fair must send a DNA sample and register EID tag by January 15 to be eligible for entry.
 - County fairs will require tagging/tattoo days for market animals.
 - Sheep and goats must have scrapie tags/identification per USDA.

- ✓ Have registered/entered in the correct classes by the posted deadlines for the event.
- ✓ Understand and comply with fair rules and regulations.

For questions about project requirements, Quality Assurance dates/requirements, fair requirements, and county-related rules, please contact your county 4-H Extension Educator. Contact information can be found at licking.osu.edu.

2025 HARTFORD SENIOR FAIR BOARD

POINTS OF IMPORTANCE

VARIOUS ANIMAL UPDATES AND REMINDERS...

— BEEF CATTLE.

- Beef Feeder Calves must be in the possession of the exhibitor by June 1st and must attend check-in at the Hartford Fairgrounds on Saturday, June 7th. Calves should have RFID tags in place by June 7th, or can purchase a tag at check-in for \$5.00
- Breeding Beef project animals must be in the possession of the member by May 1st, have an RFID tag in place, and upload a side-view and front-view photos (with tag visible) by May 1st.
- Market Beef Bred and Owned animals will be showing in their own respective classes in 2025. Bred and Owned entries will have an overall top five. The Champion Bred and Owned will then compete for the overall Market Champion. During the entry process you must select the Bred and Owned classes when appropriate. All Bred and Owned rules still apply.
- New this year, we are hoping to have a fitting contest for exhibitors. Date, time and rules are yet to be determined.

— DAIRY CATTLE.

- Dairy Judging Contest will begin at 11:00 a.m. on Monday, August 4th.
- Dairy Skillathon will be held 1-3:00 p.m. on Monday, August 4th.

— DAIRY FEEDERS.

- Dairy Feeder calves may be only of 100% Holstein or Brown Swiss breeding.
- Weigh-in on June 7th will run from 8:00 - 11:00 a.m. The weigh-in will also include an independent assessor whose task will be to identify calves that may require DNA testing, to verify Holstein / Brown Swiss breeding. A clinic and show will be offered following the weigh-in.
- The Dairy Feeder Skillathon is going to be offered ahead of the fair on Sunday, July 27th. Be watching for additional details!

— GOATS.

- All goats must have approved Scrapies identification!
- Only goats entered in Junior Fair classes may stay on the grounds.
- All market goats must be in the possession of the exhibitor by May 1st and attend weigh-in / tagging on May 17th. An online registration will be provided in advance of tagging. All goats are required to be pre-registered into the survey by noon on May 15th.

○

— HORSE.

- Horse Skillathon will begin at noon on Sunday, August 4th, so as to allow for exhibitors to complete Skillathon prior to Groom and Clean Contest getting underway.

— **MARKET LAMBS.**

- All market lambs must have USDA approved Scrapies tag identification at the time of tagging on May 17th.
- All market lambs must be in the possession of the exhibitor by May 1st and attend tagging on May 17th to be tagged with a fair tag. An online registration will be provided in advance of tagging. All lambs are required to be pre-registered into the survey by noon on May 15th.
- Market Lamb / Lamb Pool exhibitors must use a market lamb consigned in their own name for showmanship classes, and the same lamb must be shown through all classes.
- Bred & Owned market lambs will be a specific class entry this year. Lambs to be shown as Bred & Owned must be tagged as such during tagging on May 17th and entered as Bred & Owned market lambs during the fair entry process.

— **BREEDING SHEEP.**

- All breeding sheep project animals must have USDA approved Scrapies tags.

— **RABBITS & POULTRY.**

- May registration day moved to third Saturday in May – May 17th.
- Rabbit & Poultry exhibitors must complete DUNF forms ahead of arriving to the fairgrounds or will not be allowed to weigh-in on day of show!
- SPECIAL NOTE: All Poultry project members are encouraged to carry at least one additional project, in case there were to be limitations placed on exhibiting poultry at the fair. This would allow the member an opportunity to continue as a Junior Fair exhibitor, regardless of poultry limitations.

— **MARKET HOGS.**

- All hogs must be tagged with an 840 RFID tag prior to the May 15th Market Hog ID submission deadline. Tags will be available at the Fair Office for purchase. Taggers will be available for use, with a deposit.
- If your hog(s) already has an 840 RFID tag, there is no need to re-tag. The 15-digit number on the 840 RFID tag will be used for the fair. Tag must be legible in the headshot picture of your ID submission. See Hartford Fair website for additional details information.
- Hog Identification photos are required of all junior fair hogs and will be uploaded directly into FairEntry. Photos must be submitted online by 11:59 p.m. May 15th – one of the photos must include official tag with number that is readable. Up to four (4) hogs may be identified. If photos are not entered by May 15th, the hog is ineligible to make entry to the fair and thus is ineligible to show or sell.
- All hogs consigned to sale will be sent to the packer on either Tuesday night or Wednesday. All youth participating in the sale must send one hog on the trailer. Hogs will not be present during the hog sale on Thursday.
- Any youth bringing a second hog for exhibition will be responsible for removing that hog from the fairgrounds on Friday. These hogs are also eligible to be shown in the open market hog show on Friday.
- All pens should be cleaned by exhibitors at the time that their hog is removed from the grounds, with absolutely all pens being cleaned by the end of the day on Friday.

— GENERAL JUNIOR FAIR LIVESTOCK.

- Please be aware that section 901-19 of the Ohio Revised Code provides rules pertaining to junior fair exhibition of livestock. All rules will be enforced, and families are responsible for reviewing and understanding these rules prior to entry and exhibition. These rules are also posted on the Hartford Fair website, Fair Premium Book, and are available on the Ohio Department of Agriculture website. should you have questions, be sure to ask!
- Junior Fair entries will be made ONLINE through FairEntry system
- Junior Fair Exhibitors will enter their SHOWMANSHIP classes as a part of the entry process ahead of June 27th. This will allow classes to be split into appropriate sizes ahead of the fair.
- All market animal exhibitors must complete their Drug Use Notification Form (DUNF) online by 11:59 p.m. on Friday, August 3rd. Market Hogs will be able to complete their forms ahead of arriving to the fair, as tags must be in place by May 15th.

FACILITIES AND BARN SAFETY.

- No floor fans will be permitted in the barn areas. All fans must be hung, for the safety of small children.
- No fans, beyond those that are installed in the barn, will be allowed in the Kohman Wing during the fair.
- Electrical cords must be good repair and in a safe condition. Unsafe cords will be confiscated.

LIVESTOCK SALES.

- Large Animal Sale will begin at 10:00 a.m. on Saturday, August 9th
- Small Animal Sale will begin at 10:30 a.m. on Saturday, August 9th.
- Market Goats will move to the Large Animal Sale, and will be the final species to sell in 2025.
- Sales commission charged is increasing from 2% to 3% in 2025. This commission is used for marketing the sale, managing the sale, and costs associated with preparing and mailing checks following the sale.
- Livestock sales checks will be mailed no earlier than 30 days following the sale. All checks will be mailed, no checks will be held for pick-up! There will be a \$35 charge to re-issue a check with a stale date past the 60 days cashing period.

...AND OTHER ITEMS.

- Entries are due by 11:59 p.m. on Friday, June 27th, with late entries being due by 11:59 p.m. on Friday, July 18th. Exhibitors will be expected to review their entries online to ensure that they are accurate.
- Be sure to stay up to date through the Hartford Fair website and Facebook pages.
- Junior Fair Exhibitors and Advisors...
 - ID Cards will be issued, with exhibitors and advisors being required to provide a photo by no later than June 27th. Exhibitors will submit their photo during the entry process in FairEntry, while Advisors will be asked to submit their photos by email, as a club / chapter. Additional details will be shared later in the year by email as well as through the website!
 - This ID card will serve as gate entry pass, as well as identification at the premium bank.

Updated 03.04.2025

HARTFORD FAIR LAMB POOL

- Sign-Up Deadline:** Registration forms must be returned to the address listed below by Sunday, April 6, 2025 with accompanying deposit.
- Lamb Selection:** Sunday, May 4, 2025. Selection will be held at David Felumlee's Claylick Run Farm Sale Facility at 3:00 pm. (11970 Cross Road, Newark)
- Program Cost:** Cost for 2025 lambs will be set the week before selection. A \$25 (NONREFUNDABLE) deposit must accompany completed registration form, made payable to the Licking County Sheep Improvement Committee. Balance is due on May 4 during the lamb selection process (payable to the producer). If you are purchasing more than one lamb please be prepared to write more than one check as your animals may come from different producers.
- Lamb Pool Details:**
- Members of the Lamb Pool will be required to maintain membership in their respective 4-H Club or FFA Chapter.
 - Lambs will be tagged for the Hartford Fair on selection day. There is a \$3.00 fee per tag.
 - There will be a selection / entry limit of two (2) Lamb Pool lambs per exhibitor. Both lambs will be entered and exhibited as singles, no Pen of Two class will be offered. Lamb Pool lambs will count toward the exhibit maximum of five animals in the Market Lamb show.
 - Lambs will be obtained from producers within the Hartford Fair district. If a sufficient number of lambs can't be found within the fair district, then flocks from outside the fair district will be considered.
 - The lambs will be of consistent size (60-90 lbs.) and quality and will be black-faced lambs of Suffolk and/or Hampshire breeding.
 - Lambs will follow all rules and regulations pertaining to the Hartford Fair Market Lamb show, as written in the 2025 Hartford Fair Premium Book. The Lamb Pool lambs will be examined by a vet before the beginning of selection process, and will have all medications and records to date given to participants from the producer who provided their selection.
 - All Lamb Pool Lambs will become the sole responsibility of participants for health, caring and wellness beginning on the day of selection.
 - Lambs will be housed in the Sheep Barn during the Hartford Fair.
 - Lamb Pool lambs will show only in classes designated specifically for them.
 - The top five lambs in each class will receive awards. The top two Lambs of each class will then return to the ring for overall Grand Champion and Reserve Champion Lamb Pool.
 - Lamb Pool exhibitors are eligible to show their lambs in the Market Lamb Showmanship classes. There will not be a separate showmanship class for Lamb Pool exhibitors.
 - The Champion and Reserve Champion Lamb Pool market lambs will sell at the beginning of the Market Lamb sale along with the Champion and Reserve Champion market lambs. Remaining Lamb Pool market lambs will sell during the regularly scheduled Market Lamb Sale, but will be designated as Lamb Pool consignments in the program. Lamb Pool market lambs are not required to sell, unless they are designated as a champion. The rule states that Hartford

Fair Junior Fair exhibitors may only sell one animal per species (with exceptions made when an exhibitor has more than one champion market animal) will apply to Lamb Pool exhibitors.

- Additional Award Opportunities: All Lamb Pool lambs must participate in the Carcass Show (judging by ultrasound at weigh-in), with the \$5 fee being taken from Lamb Pool deposit submitted by April 6th. The top-ranking Lamb Pool carcass exhibitor will receive a cash prize of \$100, and the lamb with the highest Rate of Gain will also receive a \$100 cash prize, with both awards being provided by Andy and Michelle Buckenberger. NOTE: Lamb Pool lambs not participating in scanning for the Carcass Show will be ineligible to show / sell during the Hartford Fair.
- If you have questions, contact Licking County Sheep Improvement Committee member Darrick Foster at 740.475.7017.

Hartford Fair Lamb Pool Application

Official ID Types for Sheep and Goats

Ear Tags:

- Official ear tags are those approved for use in sheep and goats *with the US shield printed onto the tag*

- Ear tags come in various shapes, sizes, colors and numerical sequences (examples below)

Animals with Absent or Injured Ears:

- Animals that cannot be ear tagged *because of absent or injured ears* may have the official ear tag attached to a durable neck strap or collar that can only be removed by cutting the strap, collar or ear tag and which must accommodate the expected growth of the animal, which may include:
 - Placing the tag at the end of the collar after the "D" ring which must be small enough that the tag cannot be pulled through (pictures below)
 - Overlapping the collar in such a way that the tag pierces through the overlapped portion of the collar
 - Placing a rivet through the collar so that the rivet or the collar must be cut to remove the collar with attached ID
- The neck strap or collar with ear tag must be treated the same as an ear tag and *may not be removed or replaced*

Official ID Types for Sheep and Goats

Flock ID Tattoos:

- The Flock ID that has been assigned to the owner must be tattooed in the right ear and an individual animal ID number must be tattooed in the left ear of the animal
 - Animals with either absent or injured ears can have the tattoo in the tail web or flank
- The tattoo must be legible
- Flock ID tattoos are not considered Official ID for movements to slaughter or through a market
- The animal must be accompanied by a statement that contains the Flock of Origin information
 - Examples: ICVI, Owner/Hauler Statement, etc.

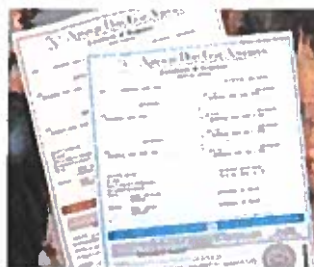

Registration Tattoo:

- The Breed Registry Prefix that has been assigned to the owner must be tattooed in the right ear and an individual animal ID number must be tattooed in the left ear
 - Animals with either absent or injured ears can have the tattoo in the tail web or flank
- The tattoo must be legible
- Registration tattoos are not considered Official ID for movement to slaughter or through a market unless the sale is for registered animals and registration papers are transferred
- A copy of the registration certificate must accompany the animal at all times
 - This certificate should have the tattoo information printed on it from the registry and must correspond to the tattoo in the animal's ears
 - If the certificate is not in the name of the current owner, a copy of the completed application for transfer of ownership in the name of the current owner is permitted provided the sale occurred within the last 60 days

&

→ Compliant Animal

- ❖ Unregistered animals from registered flocks can tattoo animals via the standards described under "Flock ID Tattoo"

Official ID Types for Sheep and Goats

Microchip or Implant (All Animals):

- Implants must be located between the skin and the cartilage of the back side of the ear near the base or between the skin and the bone of the tail near the base of the tail
 - The animal must be tattooed with a legible "E" if the implant is at the base of the ear, or an "ET" if the implant is in the tail fold ★
- The animal must be accompanied by an implant reader
- The implant must comply with ISO 11784 and ISO 11785 and must be an approved device (other devices applied before March 11, 2015 are allowed)
- The implant number must be an Animal Identification Number (840) issued to the flock of origin (other number formats applied before March 11, 2015 are allowed)
- Implants are not considered Official ID for movement to slaughter or through a market

Registered Animals:

- Registered animals must be accompanied by a registration certificate in the name of the current owner where the implant number has been recorded on the certificate

&

→ Compliant Animal

Unregistered Animals:

- Unregistered animals must be accompanied by an ICVI or an OHS that lists the flock of origin, the Flock ID and the electronic implant number
- Unregistered animals must also be **legibly tattooed** with the flock identification number, as well as having a tattoo noting the location of the implant as described above

&

Sample Owner/Handler Statement	
Owner/Handler 12345678 Wood Mill 12345 876-432-10987 4 19 10	MUST ALSO CONTAIN: Handler name & Address if different from Owner
Group/Animal ID IN 6315 Int 8478316 041919 1	
Number and Type of Goats in Group 6 Female does, 1 dairy doe	
Name/Address of Destination The End Facility 1111 Main Street Endsville, IN 45600	
How animals are to slaughter/dispose Cook & Eat	

→ Compliant Animal

Official ID Types for Sheep and Goats

Restricted (Slaughter) Movements:

- Sheep or goats that are in slaughter channels must have an owner/hauler statement that includes a group/lot identification number, even if they have individual official ear tags
- An owner/hauler statement (OHS) is a signed written statement by the owner or hauler of the animals that includes:
 - The name, address and phone number of the owner and, if different, the hauler
 - The date the animals were moved
 - The Flock ID assigned to the flock or premises of the animals
 - Group/Lot ID Number
 - The number of animals
 - The species, breed and class of animals
 - The name and address of the point of origin
 - The name and address of the destination
 - A statement whether the animals are in slaughter channels
- A group/lot identification number (GIN) is used to uniquely identify a unit of animals managed together as one group
 - The format of the GIN is the flock identification number followed by a 6-digit representation of the date on which the group or lot of animals was assembled (i.e. XX1234-MMDDYY)
 - A sequential number will be added to the end of the GIN if more than one group is created on the same date (i.e. XX1234-MMDDYY-1)

Examples of owner/hauler statements:

This example is for sheep delivered to the market by the owner:

Bob Doe
123 East ST
Wood, MI 12345
876-987-0987

4-19-19

MI3187, Lot MI3187-041919-1

10 Blackface cull ewes, 6 meat nannies

Happy Valley livestock
4787 Free Ln.
Tree, MI 46678

These animals are in slaughter channels

Bob Doe

If the owner does not deliver the animals, the hauler and flock of origin information would both need to be included on the statement. In this case, Bob Doe is the owner and John Smith is the hauler:

Bob Doe
123 East ST
Wood, MI 12345
876-987-0987

John Smith
456 West Street
Wood, MI 12345
555-555-5555

4-19-19

MI3187, Lot MI3187-041919-1

10 Blackface cull ewes, 6 meat nannies

Happy Valley livestock
4787 Free Ln.
Tree, MI 46678

These animals are in slaughter channels

Bob Doe

Ohio Sheep and Goat Identification

The United States Department of Agriculture's Animal and Plant Health Inspection Service (APHIS), National Scrapie Eradication Program, is providing up to 100 plastic flock ID tags free-of-charge to first-time participants in the sheep and goat identification program through fiscal year (FY) 2020 or until the available funds are expended. Producers will need to purchase the compatible applicator from the tag manufacturer. APHIS is working with sheep and goat organizations to transition toward electronic identification to improve our nation's ability to quickly trace exposed and diseased animals in the event of an outbreak.

APHIS discontinued the availability of no-cost metal tags for producers on August 31, 2019. Dealers and markets may continue to receive metal serial tags at no cost through FY 2020 or until the available funds are expended. Flock ID tag numbers are the producer's flock ID assigned by APHIS or the State followed by an individual animal number. Metal serial tag numbers have the state postal abbreviation, 2 letters followed by 4 numbers. Plastic serial tags have the state postal abbreviation, a letter and a number in either order, followed by 4 numbers.

To request these official sheep and goat tags, a flock or premises ID or both, please complete and return the Ohio Scrapie Tag Order Form or call 1-866-USDA-Tag (866-873-2824).

Producers and others who handle sheep or goats in commerce who need additional tags or want a different type or color of tag may purchase official plastic, metal or radio-frequency identification (RFID) tags directly from approved tag manufactures. A flock or Premises ID is required to order tags from these sources. A National Premises ID is also required to purchase official 840 RFID tags or implantable devices.

For those who use the APHIS-provided tags, please note that you will need to purchase a compatible applicator.

- Plastic Shearwell tags require the V6 Sheep SET Tag Applicator. Order forms for this applicator can be downloaded [here](#).
- Metal National Band and Tag official identification devices require the 505S applicator. This applicator is available for purchase from the National Band and Tag Company at (859) 261-2035.

A list of approved companies with approved is available on the [APHIS website](#). These ear tags and devices are approved for the official identification of sheep and goats in interstate commerce. There are restrictions on the use of implantable devices, refer to page 55 of the [National Scrapie Eradication Program Standards](#).

Note: SFCP tags may only be purchased by owners of flocks participating in the Scrapie Free Flock Certification Program. Regular program tags may be purchased by any producer who has a flock/premises ID.

2025 HARTFORD FAIR

4-H & FFA PROJECT SKILLATHON & INTERVIEW JUDGING SCHEDULE

4-H Beef Projects...

Contest: Sunday, August 3 @ 12:30 p.m. to 2:00 p.m. (Beef Barn/Grubb Arena)
Awards: Tuesday, August 5 - Market Steer Show (Grubb Arena)

4-H Dairy Cattle Projects...

Contest: Monday, August 4 @ 1:00 to 3:00 p.m. (Grubb Arena)
Awards: Tuesday, August 5 - Junior Dairy Show (Grubb Arena)

4-H Dairy Feeder Projects...

(New Date / Location!)
Contest: Sunday, July 27 @ 12:00—3:00 p.m. (Babcock Building)
Awards: Wednesday, August 6 - Dairy Feeder Show (Grubb Arena)

4-H Goat Projects...

Contest: Wednesday, August 6 @ 1:00 to 3:00 p.m. (4-H Center)
Awards: Saturday, August 9 @ 9:00 a.m. (B.Carr)

4-H Horse Projects...

Contest: Sunday, August 3 @ 12:00 to 2:00 p.m. (Horse Complex)
(skillathon only—project interviews held 8:00 a.m. daily)
Awards: Wednesday, August 6

4-H Poultry Projects...

Contest: Tuesday, August 5 @ 10:00 a.m. (Rabbit & Poultry Barn)
Awards: Saturday, August 9 @ 9:00 a.m. (B.Carr)

4-H Rabbit Projects...

Contest: Wednesday, August 6 @ 10:00 a.m. (Rabbit & Poultry Barn)
Awards: Saturday, August 9 @ 9:00 a.m. (B.Carr)

4-H Sheep Projects...

Contest: Sunday, August 3 @ 10:30 a.m. to 11:45 a.m. (4-H Center)
Awards: Wednesday, August 7 just prior to beginning of Market Lamb Show (Grubb Arena)

4-H Swine Projects...

Contest: Sunday, August 3 @ 11:00 a.m. (Swine Barn West Entrance)
Awards: Tuesday, August 5 @ Market Hog Show (Swine Barn Arena)

Members should plan to bring completed project books with them to the skillathon contest. While a member's project book may not be required in order to participate in skillathon contests, it does account for a substantial amount of points. Awards are presented for (1) skillathon performance, (2) personal interview score, and (3) project book score for completion.

UPDATED of 01.27.2025

Any necessary changes to this schedule will be announced / posted during the Hartford Fair.

General Preventive Health Recommendations for Animals Exhibited at the Hartford Independent Fair

Robert C. Krueger, DVM
Mount Vernon Animal Hospital – (740) 397.6958

It is encouraged that all participants have a current relationship with their veterinarian in order to foster the best preventive health care plan for their animals.

Please note: If your animal is under medical treatment at the fair, treatment must be overseen by the official Fair Veterinarian. Please report to the Veterinarian or the Fair Director to ensure compliance with tampering laws and exhibition rules.

Vaccination and internal parasite control must be administered at least 30 days prior to the start of the Fair.

Special Note to Market Animals: **All medications and vaccinations should be given under the guidance of a licensed veterinarian. All meat residues (withdrawal times) must be expired prior to exhibition. Consult your veterinarian for specific protocol recommendations and keep records of medication and dosages. These guidelines are to help protect the animals travelling into and out of the fairgrounds and to comply with residue avoidance guidelines.

Beef Cattle:

1. Vaccines: IBR, BRSV, BVD, PI3, Leptospirosis, Clostridial diseases(7) including Tetanus
2. Internal Parasite Control: On a preventive internal parasite protocol.**
3. External Parasite Control: Free of infectious external parasites and infections such as Lice, Mites, and Ringworm.

Dairy Cattle (including Dairy Feeder Calves):

1. Vaccines: IBR, BRSV, BVD, PI3, Leptospirosis, Clostridial diseases(7) including Tetanus
 - a. **Dairy Feeder Calves: Given at vaccination clinic as required (1st Saturday in June)
2. Internal Parasite Control: On a preventive internal parasite protocol.**
3. External Parasite Control: Free of infections external parasites and infections such as Lice, Mites, and Ringworm.
4. It is recommended that dairy heifers be dehorned prior to June 15th in order to allow complete healing prior to exhibition at the fair. (dehorning is not required of junior and intermediate heifers)

Goats:

1. Vaccines: Clostridium types C&D and Tetanus
2. Internal Parasite Control: On a preventive internal parasite protocol.**
3. External Parasite Control: Free of infections external parasites and infections such as Lice, Mites, and Ringworm.

Poultry:

1. Vaccines: Vary depending upon management protocol. Consult your veterinarian.
2. Internal Parasite Control: On a preventive internal parasite protocol.**
3. External Parasite Control: Free of infections external parasites and infections such as Lice, Mites, and Ringworm.

Rabbits:

1. Internal Parasite Control: On a preventive internal parasite protocol.**
2. External Parasite Control: Free of infections external parasites and infections such as Lice, Mites, and Ringworm.

Sheep:

1. Vaccines: Clostridium types C& D and Tetanus
2. Internal Parasite Control: On a preventive internal parasite protocol.**
3. External Parasite Control: Free of infectious external parasites and infections such as Lice, Mites, and Ringworm.

Swine:

1. Vaccines: Mycoplasma, Influenza, Erysipelas, Circovirus
2. Internal Parasite Control: On a preventive internal parasite protocol.**
3. External Parasite Control: Free of infectious external parasites and infections such as Lice, Mites, and Ringworm.

Equine – Horse / Pony:

1. Vaccines: West Nile Virus, Eastern Equine Encephalitis, Western Equine Encephalitis, Tetanus, Rhinopneumonitis (EHV 4/1), Equine Influenza, Rabies.
 - a. *These vaccines are required per fair rules.*
2. Internal Parasite Control: De-worming is individualized per horse/per stable environment. It is recommended that your horse maintain a Fecal Egg Count of < 200 epg. Consult your veterinarian for the best protocol for your individual horse.
3. External Parasite Control: Horses should be free of all infectious external parasites and infections such as Lice, Mites, and Ringworm.
4. Body Condition Score of $\geq 4/9$.

Canine:

1. Vaccines: Current Rabies, Distemper, Hepatitis (Adenovirus), Parvovirus, Parainfluenza, 4 way Leptospirosis, and Bordatella (Kennel Cough)
 - a. *These vaccines are required per fair rules.*
 - b. *Veterinarian's Certificate posted at www.licking.osu.edu > 4-H Youth Development > Member Resources*
2. Internal Parasite Control: Monthly heartworm and internal parasite control consistent with your veterinarian's recommendations for your dog.
3. External Parasite Control: Monthly prevention for fleas and ticks as well as free of all infectious external parasites and infections such as Lice, Mites, and Ringworm.
4. Body Condition Score of 2.5/5 minimum.
