

Welcome to the 167th Hartford Independent Fair, "The Biggest Little Fair in the World"

Hello,

My name is Adam Wampler, and I am the President of The Hartford Independent Fair. I would like to take this opportunity to welcome all our guests, exhibitors, vendors, and families to the 2025 fair. The fair has always been an important event that brings together the community, creating lasting memories for everyone involved.

Some of my best memories are of when I began my journey with the fair. I was an exhibitor showing ducks. At that time, there was no arena to show in, so we showed in the driveway in front of the barn.

The fair is truly a community event, uniting people from various backgrounds. We often refer to it as our fair family, and this sense of community is evident throughout the event. Please take the time to enjoy the sights, sounds, food, and entertainment that many have contributed to creating a memorable "fair experience."

Thank you,
Adam Wampler
