MARKET GOAT SHOW FORMAT

Market Goats will be divided into three (3) divisions of five (5) weight classes each.

First and second from each weight class will advance to their respective division champion drive.

Each division champion drive will place a Top 5 (Champion, Reserve Champion, third, fourth, and fifth).

The top 5 from each division will come back for the final drive where the Supreme Champions and a Top 10 will be selected.

MARKET GOAT RATE OF GAIN

Market animals will be weighed on the 3rd Saturday in May during tagging. They will be re-weighed on the Sunday fair begins at the barn. The animals with the top two (2) gains will be declared Champion and Reserve Champion Rate of Gain.

MARKET GOAT TAGGING

All market goats must be tagged. Each exhibitor may tag up to six (6) market goats, but no more than two (2) may be exhibited, and only one (1) may sell. The goats being tagged **MUST** be designated to a particular exhibitor. This will be done the **THIRD SATURDAY IN MAY** at the goat barn on the fairgrounds from 10:00 am – 12:00 pm. There will be a \$2.00 charge per animal.

GOAT USDA IDENTIFICATION PROGRAM

All goats entered in the Hartford Fair for the purpose of participating in the goat show and/or sale must have official USDA-approved identification (USDA-approved tags, USDA-approved tattoos, or identification in the Scrapie Flock Certification Program) indicating the flock of birth. Identification must be provided by the owner on record at the time of birth. No goat will be permitted to show or sell during the Hartford Fair without such identification. Doe kids entered in the market goat show, as well as all wethers, which were purchased outside of Ohio, are required to have a Certificate of Veterinary Inspection (CVI) signed by both the veterinarian and the exhibitor within 30 days of the opening of the Hartford Fair. (CVI must attest to the following: “the goats in this shipment are not known to be under any movement restrictions because of scrapie.”)

MARKET GOAT BRED & OWN

1. B & O animals will be designated at the time of tagging by a different fair tag and a USDA scrapie ID
2. Animals without official scrapies ID at the time of tagging are not eligible for B & O
3. Exhibitor must be able to prove the scrapies premises ID belongs to themselves, sibling, parent, stepparent, or grandparent upon request. Exhibitors, or family members (as designated in the General rules), must have ownership of the dam at the time of breeding (may not purchase a bred doe). Embryo transplants are only permitted if the embryo came from a doe that was owned by the exhibitor or a family member at the time of breeding.

The Junior exhibitor who shows the most tender loving care of his or her livestock project will receive a plaque.

All participants **MUST** sign up in the Fair Entry process for showmanship classes.

The current year winner of the Expert Meat Goat Showmanship Contest will compete against the current year winners of the Expert Dairy Goat Showmanship and Expert pygmy Goat Showmanship classes to determine who will represent the Goat Division in the Super Showmanship Contest. Please see the official rules for Expert/Super Showmanship, posted at the beginning of the Junior Fair section in the Fair Book.

All white attire is strongly recommended for all Dairy Goat exhibitors.
